SUBJECT: COVID-19 Vaccination For Taxi Drivers

The State of California has revised their guidance for COVID-19 vaccinations to include public transit workers. The San Francisco Transit First Policy includes Taxis as part of the transit network, therefore Taxi Drivers should be able to make appointments.

You need to make appointments through <https://myturn.ca.gov/> or <https://sf.gov/get-vaccinated-against-covid-19> or your healthcare provider or pharmacies.

Select "Transportation and Logistics: public transit" as your job type. Appointments fill quickly and you may have to check multiple times until finding one.

If you have any questions, please contact [SFTaxi@SFMTA.com](mailto:SFTaxi@SFMTA.com).
